for US Lofters

In addition to being the best job will ever have, here are some additional benefits & perks to expect as a new Loftor.

Healthcare

Because a Healthy Loftor Is a Happy Loftor

Lofters have three medical plan options, two dental plan options, and a vision plan available through BlueCross BlueShield. In addition, Salesloft contributes up to \$200 per month to Lofters' Health Savings Accounts (HSA) and provides access to 24/7 on-demand primary care physicians through 98point6.

401K & Company Match

Because We Invest in Your Future

Salesloft provides a 401(k) match where the first 2% an employee contributes, Salesloft will provide a 100% match. Salesloft will then match 50% for each 1% the employee contributes for the next 4%. In total, when an employee contributes 6% of their earnings, Salesloft will provide a 4% match.

Flexible PTO

Because It's All About Balance

We know you work hard, so enjoy your time away! At Salesloft, you aren't limited to a certain number of vacation days. We trust you to get your work done and be a responsible team member. What's more? Before taking a single day of PTO, enjoy 18 company-wide vacation days, including a full shutdown week, and a "Rest Day" in any month where there's not a company holiday - ensuring Lofters have at least one day off per month.

Because Your Wellbeing Is Our Top Priority

At Salesloft, our employees are encouraged to bring their whole self to work.
